# PASTOR'S MESSAGE

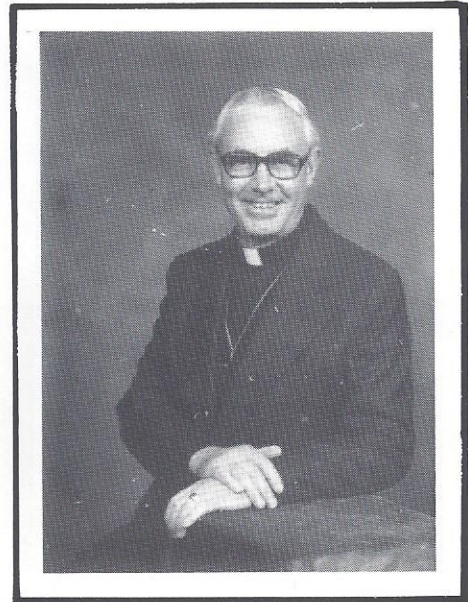

My Dear Friends,

**T**he Church is People. In the pages of this book we record for now and for posterity the pictures of the people which make up the membership of the Bancroft/Carlow Pastoral Charge. In a real sense this book contains the pictures of the church.

Bancroft/Carlow is not the biggest United Church Pastoral Charge in Canada; neither is it the smallest. Our charge is not the richest United Church charge in Canada; Neither is it the poorest. This does not really matter. What does matter is that it is part of God's family and as such we should aim at making it the warmest and most loving charge in the land. I believe that in the past few years we have moved a long way towards achieving that goal.

Some churches build huge building in order to attract large congregations. I've worked in one such and it was not a very happy place. Some churches set out to manipulate people to believe as they do and that is using people. It seems to me that following the example of our Lord Jesus Christ our task is to love and serve--even to death if necessary. It's great to see so many of our people moving from worship on Sunday to serve their Lord and to practice their faith not only in the work place but in many community ventures.

Thank you for the privilege of being one of your pastors and for making a place for June and myself in your community.

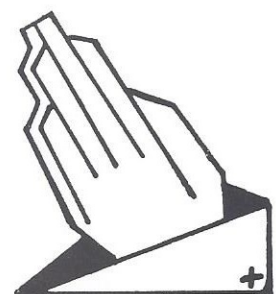

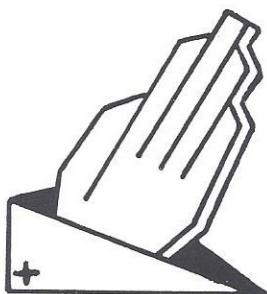

**Rev. Dr. Peter D. Tink**
